Executive Committee

David P. Cappelli, DMD, MPH, PhD
David P. Cappelli, DMD, MPH, PhD is a Professor and Director of Research Dentistry, Department of Comprehensive Dentistry, University of Texas Health Science Center at San Antonio (UTHSCSA). He also serves as the Director of ROHDOE. He received his MPH and DMD from the University of Pittsburgh. He was awarded a certificate in Dental Public Health from UTHSCSA and a PhD in Epidemiology from the University of Texas Houston School of Public Health. Dr. Cappelli is a Diplomate of the American Board of Dental Public Health (AABPH) and is the Executive Director of the American Institute for Dental Public Health (AIDPH). He is the Principal Investigator of the HRSA Grant to States to Support Oral Health Workforce Activities that supports the development of ROHDOE.

Rhonda Stokley, D.D.S.
Rhonda Stokley, D.D.S., is Manager of the Oral Health Program of the Texas Department of State Health Services and serves as State Public Health Dental Director. She earned her Doctor of Dental Surgery from Louisiana State University School of Dentistry in 2002. Her background includes over 10 years of private practice and public sector dentistry. She served as Dental Director of the Austin State Supported Living Center, providing care for individuals with intellectual and developmental disabilities, from 2007-2014. Dr. Stokley is a member of the American Dental Association, the Academy of General Dentistry, the Texas Oral Health Coalition, and the Association of State and Territorial Dental Directors.

Annalise Cothern, MS
Annalise is a Biostatistician at UT Health San Antonio and ROHDOE Coordinator. She received her Bachelor of Science and Master of Science from Mississippi State University, specializing in Biostatistics. In her current position, she coordinates data collection and evaluation for the State of Texas, and also manages database development and administration for the Dental Team, a direct-entry program in school-based oral health programs. She also serves as a core instructor in the Dental Public Health Program. Annalise is currently serving as part of the founding executive leadership team for the American Institute for Dental Public Health and is a member of the Board of the Consortium for Oral Health Research and Education (COHRE).

Jesse Simmons, MS
Senior Evaluation Officer
St. David’s Foundation
Jesse is the Senior Evaluation Officer for St. David’s Foundation. He manages the grantee evaluation team and is responsible for implementing evaluation strategies across the grants managed by the Foundation, including the focus on improving oral health in Central Texas. He also leads the internal evaluation of the St. David’s Mobile Dental Program. In this role, Jesse works closely with staff to estimate, monitor, and evaluate potential program improvements. Jesse received his MS in Applied Sociology from Texas State University.

Lori Kepley Colanco
Lori Kepley Colanco serves as a consultant to the Association of State and Territorial Dental Directors (ASTDD) Best Practices Committee, Healthy Aging Committee, and Peer Support Program. Ms. Colanco has contracted with Children’s Dental Health Project (CDHP) to facilitate the Policy Committee’s Tool in several states and has also provided technical assistance for several projects focusing on CCHP funded states. Most recently she was contracted with CDHP to facilitate their National Sealtant Worn Group. In 2018, the DentalQuot Foundation (DOF) contracted with Ms. Colanco to assist with project planning, developing the architecture, and data mapping as they move from Basecamp to Salesforce for the DOF network. Ms. Colanco’s professional experience encompasses over 35 years in oral health, including more than 10 years in Nevada’s state oral health program and 17 years in clinical practice as a dental hygienist. During her tenure with Nevada’s state oral health program, she held the position of Fluoridation...
Advisory Committee

Anna Neumann, DDS, MPH, PhD
Anna Neumann, DDS, MPH, PhD, is an Associate Professor of the Department of General Practice and Dental Public Health and Director of Dental Public Health at UTHealth/School of Dentistry at Houston, where she directs three undergraduate courses and participates in clinical teaching and research. She serves as Co-Investigator on a NICHD-funded project to test, evaluate, and validate dental quality measures. She collaborates with the School of Public Health on the project CATCH: Healthy Smiles to develop oral health intervention materials to be integrated into the CATCH program for children aged 5-7 years. Her key interests include dental epidemiology and biostatistics, dental caries, and oral health promotion. Email address: Anna.neumann@uth.tmc.edu

Tanya K. Fugar, DDS
Dr. Tanya K. Fugar is a general dentist in private practice part-time in Southlake, Texas. She received her Doctor of Dental Surgery degree from the University of Texas Health Science Center in San Antonio, Texas in 1996. She then served as the United States Air Force as an active-duty dental officer, Preventive Dentistry Officer and the Dental Disease Team Chief. She also served as the Director of the Child Study Center Dental Clinic, treating children with development and behavior disorders for 8 years. She founded and currently serves as the Program Director of Save a Smile with Dr. Fugar's Caring, a caring, low-cost dental clinic serving families from pre-kindergarten through sixth grade in targeted schools in Terrell County. She also works with numerous local and community groups on children's oral health issues and serves on the legislative committee for the Children's Oral Health Coalition. She is the President of the Texas Dental Hygienic Association. Dr. Fugar, in her spare time, is a wife and mother of two wonderful young girls.

Beth Stewart
Beth Stewart has served as the Executive Director for the Texas Oral Health Coalition since 2011 and currently serves on the Board of Directors for the American Network of Oral Health Coalitions and the National Rapid Response Team for the American Academy of Pediatrics. With over 15 years of experience as a registered dental hygienist, Beth serves as the Health and Education Advisor for the Texas State Dental Hygienic Association (TDHA) and as an Adjunct Clinical Instructor for the University of Texas at San Antonio School of Dentistry. She also serves as the Southwestern Regional Leader for the DeltaSigma Pi Foundation's Oral Health 2020 movement and is a former President of the Texas Dental Hygienic Association, ADA-HA delegate and Council member of the American Dental Hygiene Association.

Anil Sanghavi, BDS, MPH
Anil Sanghavi, BDS, MPH, serves as the Director for the Community and Oral Health Program at Texas Health Institute (THI). In his current role, Anil leads a range of research, innovation, and evaluation projects aimed at shifting and health improvements at the local, state, and national level. He currently represents Texas on the National Oral Health 2020 network, promotes a national and state-wide public health framework, and a committee led by him has presented at several state and national venues including National Oral Health Conference and Mobile Health Clinics Association. Anil is a Mentor of Public Health in Health Policy and Management from Texas A&M University School of Public Health and is a Bachelor of Dental Surgery from M.U.H. S, India.

Michelle J. Saunders, DDS, MS, MPH
Michelle J. Saunders, DDS, MS, MPH, is an Adjunct Associate Professor in the Department of Parks & Recreation at the University of Texas Health Science Center at San Antonio, where she directs the South Texas Geriatric Education Collaborative. Dr. Saunders is a national and international expert in geriatric health professions education, faculty training in education, curriculum and program development, and evaluation; minority health promotion; and in a consultant to a number of state and federal programs and national associations. She directed the $2.7 million dollar Research Center on Oral Health in Aging to study oral health among San Antonio's elderly population. Dr. Saunders is a past President of the Gerontological Society of America, a past President of the American Society for Geriatric Dentistry and served on the Editorial Board of the Journal of the American Geriatrics Society.
