

Disclosure of Financial Interests

The intent of this Disclosure of Financial Interests is to allow Texas Oral Health Coalition, Inc. (TxOHC) the opportunity to resolve any potential conflicts of interest to assure balance, independence, objectivity and scientific rigor in all of its continuing education activities. **All faculty, planners, speakers or authors of TxOHC sponsored activities are expected to disclose to TxOHC any relevant financial relationships with any commercial or personal interest that produces health care goods or services related to the content of an educational presentation.** Faculty, planners, speakers and authors must also disclose where there are any other potentially biasing relationships of a professional or personal nature. **This disclosure applies to themselves and their spouse or partner over the last 12 months.**

Glossary of Terms

Conflict of Interest- Circumstances create a conflict of interest when an individual has an opportunity to affect continuing education content about products or services of a commercial interest with which he/she has a financial relationship.

Commercial Interest- Any entity producing, marketing, re-selling, or distributing healthcare goods or services consumed by, or used on, patients. Providers of clinical service directly to patients are not considered to be commercial interests.

Financial Relationships- Those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria for promotional speakers' bureau, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities for which remuneration is received, or expected. Relevant financial relationships would include those within the past 12 months of the person involved in the activity and a spouse or partner.

Off Label-The use of products for a purpose other than that for which it was approved by the Food and Drug Administration (FDA).

Do you and/or your spouse or partner have any potentially relevant financial or biasing relationships, including relationships with proprietary entities producing health care goods or services related to your role with planning or presenting continuing education events?

No

If yes, please identify the company and the nature of this relationship [Please indicate the full name of the commercial interest(s)/organization(s) next to the best description of the relationship(s).]:

Use the space below to briefly describe your professional experience or areas of expertise (including publications) related to your involvement in continuing education and your particular role, e.g., speaker, presenter, peer reviewer, administrator, etc.:

Dr. Bouquot has more than 400 published papers, abstracts, books and book chapters. His work has been translated into numerous languages, has been cited thousands of times in the literature, and has been used by state and national governments to determine oral health policy. He has been co-author of the most popular textbook of oral pathology, has named more than three dozen oral diseases, has been a reviewer for more than 40 medical and dental journals, and has been on the editorial boards of four international dental journals. He has presented more than 1,800 research and continuing education seminars in 30 countries and all 50 U.S. states, and has taught the longest-running community-based CE courses in U.S. dentistry. His informational websites have been the two most popular oral pathology sites on the internet, once getting almost 6,500,000 combined hits annually. Dr. Bouquot has been President of the American Board of Oral & Maxillofacial Pathology, the Eastern Society of Teachers of Oral Pathology, the Western Society of Teachers of Oral Pathology, the Organization of Teachers of Oral Diagnosis, 6 regional dental societies, and the West Virginia Division of the

American Cancer Society. He has been a member of the Executive Council of the American Academy of Oral & Maxillofacial Pathology, the national Board of Directors of the ACS and the Board of Trustees for the 8-state South Atlantic Division of the ACS. As a member of the ACS national Research Committee he was among those responsible for reviewing and approving more than \$90,000,000 in cancer research grants annually. He has received more than 55 awards for his teaching, research and service to humanity.
