

Tim Cluley received his BA degree from Midwestern State University in his hometown of Wichita Falls, Texas.

He has worked in distribution for the past 40 years, including 30 years at Midwest Dental Equipment & Supply. He is currently serving as the Chief Operating Officer and owner. He got interested in TxOHC after meeting the executive director at a National Oral Health meeting Ft. Worth several years ago. Subsequently, Midwest Dental and Tim have been avid sponsors and fans of the TxOHC.

Tim and his wife Wanda live in Plano, Texas, and have 3 grown children and just had their first grandchild. Tim is a volunteer for Meals on Wheels, his church Men's Club, and helps support several different dental causes. He enjoys cycling, golf and just about anything outdoors!
