---	-----------------

Grants

Office of the Vice President for Research, PI: Aliza Norwood UT Pop-Up Institute: <i>Creating Inclusivity and Improving Outcomes for Sexual and Gender Minorities.</i>	04/19 – 10/20
---	---------------

This Pop-Up will convene researchers, students, and community members to discuss how to improve the health of sexual and gender minorities in central Texas. Goals of the Pop-Up include the creation of a sustainable UT website with educational resources for researchers, students, and community, as well as the creation of a comprehensive gender-affirming care clinic with opportunities for training residents and faculty in medicine, nursing, social work, and psychiatry.
