Education

M.P.H., Johns Hopkins Bloomberg School of Public Health, Baltimore, MD 07/16-08/18
M.D., Baylor College of Medicine (BCM), Houston, TX 07/08-05/12
B.A., Biological Sciences, Rice University, Houston, TX 08/04-05/08

Postdoctoral Training

Academic General Internal Medicine/Pediatrics Fellowship, Johns Hopkins University School of Medicine (JHUSOM), Baltimore, MD 07/16-06/18
Combined Internal Medicine/Pediatrics Residency, University of Miami Miller School of Medicine/Jackson Health System (UM/JHS), Miami, FL 07/13-06/16
Internship, University of Miami Miller School of Medicine/Jackson Health System, (UM/JHS), Miami, FL 06/12-06/13

Licensure

Texas, #R7644, Exp. 08/31/22
Maryland, #D81065, Exp. 09/30/18
Florida, #TRN17826, Exp. 06/23/18

Board Certification/Eligibility

American Board of Pediatrics, General Pediatrics, #696484 10/18/16
American Board of Internal Medicine, General Internal Medicine, #362752 08/16/16
National Board of Medical Examiners, #52394442 12/03/12

Academic and Leadership Appointments

Assistant Professor, Department of Internal Medicine 08/18-present
Assistant Professor, Department of Population Health (joint appointment)
Assistant Professor, Department of Pediatrics (courtesy appointment)
The University of Texas at Austin Dell Medical School (DMS), Austin, TX

Other Relevant Employment and Clinical Activities

PRN Internal Medicine Hospitalist 01/21-present
Dell Seton Medical Center, Austin, TX
Med-Peds Primary Care Physician 08/18-present
Lone Star Circle of Care at Collinfield, Austin, TX

Honors and Awards

Health Science Innovator (University of Texas Kenneth I. Shine Academy of Health Science Education)	02/21
Giant Alumnus of the Month (Goose Creek Consolidated Independent School District)	12/20
Teaching Health Equity Award (DMS Department of Medical Education)	10/20
Unified Leadership Training in Diversity Award (Association of Chiefs & Leaders of General Internal Medicine)	01/20
Certificate in Curriculum Development for Medical Education (JHUSOM)	06/18
Gary Onady Award (National Med-Peds Resident Association)	10/16
Clinician Cultural & Linguistic Assessment Certificate of Proficiency in Spanish Language Oral Communication (JHUSOM)	10/16
Resident of the Year (University of Miami Med-Peds Residency Program)	06/16
Teaching Resident Recognition (University of Miami Pediatrics Residency Program)	02/16
Certificate of Completion in Quality Improvement (Institute for Healthcare Improvement)	11/15
Resident of the Year (University of Miami Med-Peds Residency Program)	06/14
Certificate of Knowledge in Clinical Tropical Medicine and Travelers' Health (American Society for Tropical Medicine and Hygiene)	02/13
Inductee (Gold Humanism Honor Society)	02/12
Global Health Scholar (Effie and Wofford Cain Foundation)	06/11

Professional Memberships and Activities with Leadership Positions

Austin Black Physicians Association	08/20-present
CD Doyle Student-Run Free Clinic Faculty Advisor to the Executive Board	12/18-present
Texas Medical Association	07/18-present

Society of General Internal Medicine	02/17-present
Academic Pediatric Association	02/17-present
American College of Physicians	10/11-present
American Academy of Pediatrics Program Delegate, Florida Chapter (2012-2014)	10/11-present
UM/JHS Med-Peds Residency Program Chief Resident (2015-2016) Coordinator, Community Service (2013-2014)	06/12-06/16
National Med-Peds Resident Association Member, Southeast Regional Conference Planning Committee (2016) Coordinator, National Med-Peds Jobs Board (2013-2015)	09/11-06/16
BCM College Globalization Council Student Representative (2012)	01/12-05/12

BCM Med-Peds Interest Group Coordinator, Community Service (2011-2012)	08/10-05/12
Student National Medical Association Coordinator, SAT Workshop (2009-2010)	08/08-05/12
American Medical Student Association Region 7 Coordinator, Global Health Committee (2010-2011) Region 9 Coordinator, Community and Environmental Health Committee (2009-2010) BCM Chapter Chair, Community and Public Health Committee (2009)	08/08-05/12
BCM Global Health Club Founding Co-President (2011)	01/11-05/12
BCM Global Health Track Curriculum Committee Student Representative (2010-2011)	01/10-07/11
BCM Peer Resource Network New Student Advisor (2010)	07/10-12/10
Humanitarian Medical Outreach Associate Director, Travel Committee (2007-2008) Associate Director, Publicity Committee (2006-2007) Leader, Kenya Team (2006-2007)	08/04-07/08

Educational Activities

Educational Administration and Leadership

Co-Director, Primary Care, Family, and Community Medicine Clerkship, The University of Texas at Austin Dell Medical School, Austin TX	08/18-present
Policy & Systems Change elective, 4-week series of lectures for fourth-year medical students and internal medicine and pediatric residents; developed curriculum, organized guest speakers, facilitated discussions, and gave feedback on assignments	02/21
Co-Creator, Humans of ATX: An Online Repository of Narrative Medicine The University of Texas at Austin Dell Medical School	04/20
Immigrant Health elective, 2-week series of lectures for fourth-year medical students; developed curriculum, organized guest speakers, facilitated discussions, and gave feedback on assignments	11/19
Policy & Systems Change elective, 2-week series of lectures for fourth-year medical students; developed curriculum, organized guest speakers, facilitated discussions, and gave feedback on assignments	11/19
Co-Creator, Humans of ATX Event: An Evening of Narrative Medicine The University of Texas at Austin Dell Medical School	04/19
Chief Resident, UM/JHS Med-Peds Residency Program	06/15-06/16

Teaching Activities

Livestrong Cancer Institutes Summer Undergraduate Research Forum, "Cancer Screening in Primary Care," lecture to 20 undergraduates	06/21
---	-------

Internal Medicine Residency Noon Conference; taught a 45-minute session entitled “Assessing and responding to social needs in ambulatory care settings”	05/21
University Health Services Continuing Medical Education Conference Series; taught a 60-minute session entitled “Assessing and responding to social needs in ambulatory care settings”	01/21
Communication Strategies for the Pre-Health Professional, semester-long undergraduate seminar for 10-15 pre-health students; taught a 90-minute session entitled “Assessing and Responding to Social Needs in the Healthcare Setting”	11/20
The COVID-19 Pandemic: Global Health on the Front Lines, 2-week student-led discussion-based online course for third- and fourth-year medical students; helped develop curriculum, facilitated discussions, gave feedback on assignments, and led the involved faculty in course evaluation and dissemination planning	03/20
Livestrong Cancer Institutes Summer Undergraduate Research Forum, “Cancer Screening in Primary Care,” lecture to 20 undergraduates	07/19
Physician Education and Assessment Center Pediatric Curriculum, weekly lectures to 5 residents (www.peaonline.org)	07/16-06/18

Clinical Teaching and Supervision

Internal Medicine Residency Program Continuity Clinic Preceptor, CommUnityCare Southeast Health and Wellness Center, Austin, TX (5% effort)	02/21-present
Primary Care Clerkship Medical Student Longitudinal Preceptor, Lone Star Circle of Care at Collinfield, Austin, TX (20% effort)	09/18-present
Internal Medicine Consult Service Physician, Johns Hopkins Hospital, Baltimore, MD (10% effort)	07/17-06/18
Pediatric Primary Care Clinic Resident Preceptor, Harriet Lane Clinic, Baltimore, MD (15% effort)	07/16-06/18

Development of Curricula and Educational Materials

Developing infectious diseases curriculum for internal medicine trainees in Johannesburg, South Africa as part of Johns Hopkins Faculty Development Course in Curriculum Development, JHUSOM, Baltimore, MD	09/17-05/19
Editing a module on pediatric primary care and health supervision guidelines in the Physician Education and Assessment Center Pediatrics Ambulatory Care Curriculum, JHUSOM, Baltimore, MD	12/16-01/19
Developed an ambulatory immersion curriculum for med-peds residents, UM/JHS, Miami, FL	05/15-06/16

Advising and Mentoring

Students

Natasha Dass, Dell Medical School Medical Student	01/21-present
Ife Shoyombo, Dell Medical School	09/20-present

Katie McNiel, Dell Medical School
Medical Student 03/19-03/21

Holly Grossman, University of Texas at Austin
Pre-Med Undergraduate Student 01/19-05/19

COVID-19: A Social Marketing Approach to Investigating Prevention and Self-Reporting Messages
Targeting Underserved BIPOC Populations in Central Texas

Project aims to identify what components of prevention and self-reporting messages regarding COVID-19 appeal to the BIPOC audience, identify areas of improvement of COVID-19 prevention and self-reporting messages targeting BIPOC, and create new materials (i.e., infographics) to address problems/gaps in prevention and self-reporting messages to BIPOC populations in campaign development.

Total costs: \$9250

Role: Co-Investigator (no salary support)

R21, Agency for Healthcare Research and Quality 07/20

PI Marissa Burgermaster, PhD

Novel Clinical Decision Support to Improve Data-Driven Collaborative Diet Goal Setting for Patient-Centered Chronic Disease Prevention and Management in Clinics Serving Under-Insured Patients

Total costs: 299,959

Role: Key personnel (5% support for 2 years)

UT Center for Health Communication 01/19

PI Marissa Burgermaster, PhD

Optimizing Messages for Personalized Chronic Disease Prevention and Management

Project aims to help improve dietary self-efficacy and perceptions of provider empathy among patients with type 2 diabetes or prediabetes by developing tailored goals and reminder messages based on diet pattern, health literacy, and regulatory fit, and testing these tailored goals and messages in a randomized trial.

Total costs: \$7992

Role: Co-Investigator (no salary support)
