Considering participation in Texas School Nurse Organization Annual Conference at recommendation of SAOHC member from August meeting.

Our coalition needs to identify **new goal for 2024** that meets all of these parameters: doable, impactful, appropriate timeline, and measurable. Your suggestions?

TxOHC- always looking for members that want to participate in statewide committees like policy or planning- are you interested?

**How can TxOHC help you?**

Do you have upcoming events that need sharing?

Do you have job postings you would like shared?

**Lastly, we want YOUR VOICE HEARD.**

When can we meet that would be most convenient for you?

How: Zoom or in-person

How often? Bimonthly (every two months) or Quarterly

Day of week: Monday, Tuesday, Wednesday, Thursday, Friday

Timeframe: 8AM to 11AM. 11AM to 1PM, 1PM to 3PM

If you were not able to attend this meeting, we will look forward to your participation at the next meeting.

Next week there will be a leadership meeting to determine when that will be, so PLEASE SHARE YOUR PREFERENCES.

Sincerely,

Rebecca A Davenport, DDS
