ORAL HEALTH COALITION

Join our advocacy efforts to reshape systems and improve public perception so that oral health is known as essential to lifelong health and well-being.

Coalition Membership Helps Bring Partners Together!

The Texas Oral Health Coalition invites you to support our overall goal **to encourage collaboration to foster whole person health, eliminate oral disparities and address health inequalities for all Texans**. Our mission to lead efforts to achieve optimal oral health across the lifespan cannot be accomplished alone. This effort requires the help from our members, coalition partners, and other stakeholders. Please review the information below to aid in your consideration to participate.

If you are an organization, institution, association, coalition, foundation, or corporation we encourage you to complete the [Coalition Partner Agreement](#) today and choose from exciting opportunities to collaborate with us to expand our community engagement and activities. Your monetary support will go towards the sustainability of the Texas Oral Health Coalition and our activities.

*** Additional branding opportunities on TxOHC publications.** Please contact TxOHC ED for additional information.
